at Overlook Park

Halloween Trick-or-Treat Community Party

October (T.B.A.), 2014 (6:30-8pm)

at Parkman Community House

Breakfast with Santa

December 6, 2014 (9 – 11am)

at Parkman Community House

For more information or an interest in volunteering for any of Chamber events please contact Denise Villers at 548-2939 or attend one of the Chamber meetings.

Thanks to all of our generous neighbors who help support and volunteer with all of our Parkman Community groups and events.

Parkman Chamber of Commerce

From: Denise Villers

A quick review of our activities in 2013 since the last printing of our Parkman Paragraphs:

TRICK OR TREATING in Parkman was a little different this year - to keep our trick-or-treaters safe and off the street. We asked the residents to bring their treats here to the community house instead of their homes. We provided tables and chairs and everyone got to see the parade of “ghosts and goblins” together. We had approximately 20 Parkman households represented and we had nearly 60 kids come out for treats and fun.

BREAKFAST WITH SANTA was lots of fun. The kids got to visit with Santa, received a small gift and then they enjoyed a yummy breakfast with their parents/grandparents. (Thanks KF!)

The holidays also included decorating and un-decorating the center of town with garland and bows and a tree in gazebo. We also hosted a catered dinner for all those folks that help us with our various activities throughout the year. This included a fun round of a Chinese Gift Exchange.

2014

Annual **Pancakes and Sausage Breakfasts** –the first four **Sundays in March**. We depend on all you wonderful volunteers to make this fund-raiser successful. Please contact Denise Villers (phone: (440) 548-2939 or e-mail: villers_3622@windstream.net) with dates that you can work. We offer on-the-job training in all positions. A few jobs require you to be at least 18 years old (and many of us are WAY over that age) but teens are more than welcome to volunteer their time and work in the dining room or behind the scene in the kitchen. We have a wide variety of jobs to fill. Each Sunday is divided into two shifts: 9:00 to 11:30 and 11:30 to 2:00 (with some that start earlier and others that stay later for clean-up afterwards). Please consider volunteering for your community!

The annual **Easter Egg Hunt** (11 a.m. at Overlook Park) is **Saturday, April 19th** for our Parkman residents (toddlers through 6th graders). The kids gather candy-filled eggs. Each child also receives a numbered egg that corresponds with a prize just for them!

Our annual **Kite Festival** (a joint venture with the OSEK, which is affiliated with the American Kite-Fliers Association) will be from 11 a.m. to 4 p.m. on Saturday, __ (date not yet determined) at Overlook Park.

The **Community Picnic** is scheduled for Saturday, July 19th (5 p.m. to 8 p.m.) at Overlook Park. We will have the bounce-house again as well as some other activities. We had a good crowd last year (despite the rain!) and hope to see even more residents come together for a great time!

If you would like to help with planning or executing any of these events, call us. As always, everyone is welcome to join the Chamber of Commerce (not just business owners – we’re more of a community group). We meet on the 3rd Monday each month at 7:00 p.m. at the Community House. We would love to see you there!

Please feel free to call me if you have any questions about any of our activities.

– Denise Villers (440) 548-2939

Lucinda Sharp-Gates, Treasurer

Parkman Trustee Notes

From: Jon Ferguson

The election for your trustees for 2014 proved to be very unusual. Ordinarily, the trustees are elected on a staggered schedule. Two would be up for election in one election year and the third would be up for election in the next election year. However, when one of the trustees resigned, that resulted in all three positions being voted on in the same election. Then, neither of the incumbent trustees decided to run so that meant that all three positions would be filled by new people. The election is over and the dust has settled. Your new trustees are Roger Anderson, Jon Ferguson, and Dennis Ikeler. We’ve only been working together for about a month and already we have developed a very positive rapport.

While each trustee is responsible for all of Parkman, we have structured the assignments into working groups. Each of the trustees will be the point man, or liaison, for each of the working groups. Roger is the liaison for the Community House and the Parkman Parks, Dennis is the Liaison for the Road Department and the Cemeteries, and Jon Ferguson is the liaison for the Fire Department and Zoning. This will streamline the information flow and problem resolution between the trustees and the different work groups. It will also help speed up communication when a resident has a concern. As a resident with a question or concern, you can contact any of the trustees but, contacting the liaison may speed up the process a little.

One of our first projects is to give our Community House a good dose of TLC. Roger is coordinating these activities. First, we need to give it a good, deep cleaning. Roger has organized two volunteer days and has asked our residents to help us do the basic deep cleaning. The first Volunteer Day was January 25th. In spite of near zero temperatures, six inches of snow and howling winds, we still had a few hardy volunteers show up and really got quite a bit accomplished. Thanks to all of you that helped! The next Volunteer Days are scheduled for February 21st & 22nd from 8am to 4pm, so we can be looking our best for the traditional pancake breakfasts. As the next step in the process, Dennis is pulling together some rough costs on renovations for the restrooms.

Elizabeth Sanders is our new Community House Coordinator. Elizabeth is responsible for scheduling the Community House and the Pavilion as well as the basic maintenance. Her phone number for scheduling purposes is 440-313-1834. She has also set up an e-mail account for scheduling, if you’d prefer to schedule using the internet. She can be reached at parkmancommunityhouse@gmail.com. To make the information a little more accessible, the guidelines for using the Community House and the current rental fees have been added to the ParkmanOhio.com web site.

Through the efforts of the Geauga County Engineer’s office, Parkman has received a grant to pave several of our roads. These roads are long past due for re-surfacing and are in obvious need of attention. The grant will pay for 80% of the paving cost up to a total grant limit of \$80,000. The roads being considered by the grant are Church, Center, Edwards, West Park, West, and Mill. The County Engineer’s office will initiate the bids in late March. Once the bids are completed, the trustees will have to determine how much of the cost our budget will be able to fund. A special “Thank You” goes out to the Geauga County Engineer’s Office for their efforts in making this grant available.

Congratulations to our 2014 Parkman Trustees

Jon Ferguson (left)
Roger Anderson (middle)
Dennis Ikeler (right)

Best wishes as our newly elected trustees lead our community into a strong and healthy future.

Parkman Zoning Inspector

John Spelich

Office hours are every Wednesday evening from 7 – 8:30 PM,
and the office is located at the rear of the Community House.

The following is a summary of the zoning activities that were finalized in 2013
for Parkman Township:

New home startups eight (8)
Additions to homes five (5)
Parcels splits and variances twenty-four (24)
Porch and decks six (6)
Accessory buildings nine (9)
Fence permits three (3)
Signage permits five (5)
Realty information requests ten (10)
Non-compliant and or complaints forty-eight (48)
Home occupations started four (4)
Federal gun law investigations one (1)

If you are going to build a new home, add a deck or porch build a fence, call your Zoning Inspector. He may assist on setbacks and guide you to other County Departments that can answer your questions or concerns.

John Spelich Zoning Inspector of Parkman Township.

If you are in need of a zoning permit or information on Parkman zoning

call me at

330-219-2698 (cell) or 330-889-3666 (home)

mailing address

John Spelich

PO Box 125, West Farmington, Ohio 44491

email at

rcavictor42@aol.com

My hours at the office 7pm-8:30 pm every Wednesday or call for an appointment if you can not make the Wednesday night hours. I am here to serve your zoning needs every day and night. You can also reach the Zoning Office at 440-548-2904 (extension 2)

Parkman Community House Volunteer Cleanup Days

Friday February 21, 2014 (8am-4pm)
Saturday February 22, 2014 (8am-4pm)

Parkman Clubs, Groups and Residents,

We need your help! The 2014 Board of Trustees has declared volunteer days to help clean up our Community House and the surrounding area. We feel the need is urgent and are asking all you, the people who use this facility, to help us in any way you can to achieve this goal. We feel this is especially important to do before our community is on display to many others. We are of course referring to March Pancake Breakfasts.

We would appreciate any help in preparing for this event. We will be cleaning on Friday, February 21 and Saturday, February 22, 2014 between the hours of 8am and 4pm on each of these days. Please feel free to contact any one of the trustees listed above to include your group or yourself in this community service effort. If you don't have time to contact one of us just show up and we will help to find something for you to do.

We would like to thank you in advance for any help you can provide in this effort to help our community shine while we are on display.

Thank You All,
Parkman Township Trustees

Parkman Road Department

From Tom Evers

Winter is winding down, Spring will be here soon. Just a few reminders for the New Year. Fences are Not Permitted with-in Road Right of Way. Homeowners are responsible for keeping there Driveway Pipe free of leaves and debris. If you feel that your ditch needs to be cleaned, Please call the Road Dept. 440-548-8671. Driveway Pipe Permits are Required for Residents Before they have the Driveway installed. Geauga Co. Engineers issue Driveway Pipe Permits for Parkman Twp. Geauga Co. Engineers phone number is 440-286-3936. Please allow Extra room for our Plow Trucks when cleaning Intersections. PLEASE SLOW DOWN AND USE CAUTION WHEN TRAVELING THROUGH OUR WORK ZONE. Thank-You.

For registration or more information on Geauga Park District programs and opportunities, contact 440-286-9516 or www.geaugaparkdistrict.org

Many events can be found on the park website - find a complete list at:

www.geaugaparkdistrict.org

Parkman Boy Scout Troop # 76

When the snow and cold come, the Scouts go camping! Our annual Klondike Derby was January 24th & 25th at Camp Stigwandish in Madison and we were there! The troop attended and spent Friday night in COLD Adirondacks (a 3-sided shelter). It was cold and windy, but all

went well. On Saturday, they participated in all of the team-building outdoor events and did quite well.

On February 2nd the boys participated in Scout Sunday at their own churches.

We have another winter event scheduled – Fire and Ice – at Punderson State Park. They will be swimming in the indoor pool and sled riding. The first four Sundays on March we will be helping out with the Chamber of Commerce's Pancake Breakfasts. Camping will depend on weather this month.

April will be busy! We will be hosting FISH FRIES on April 4th – 11th – 18th. Please come and support us and enjoy a great dinner! We are trying to raise funds to purchase an enclosed trailer for our gear. Hopefully, at the end of the month we will get to Camp Pete in Conneaut for camping and steel-head fishing.

May will bring warm weather and more outdoor activities:
Camping – Cooking – Archery – Rifle shooting.

Don't forget about the Memorial Day Parade – it begins at Overlook Cemetery at 9 a.m. on Monday, May 26th. Hope to see you there!

In June we will be off to Scout Camp in Peninsula to work on their merit badges, learning new skills, and just having fun.

Our weekly meetings are on Monday evenings at 7:30 p.m. at the Boy Scout Lodge on Sperry Lane in Middlefield - near the baseball fields (behind Arby's). As always, new boys are welcome to join us (ages 11 – 18).

Scott Villers, Committee Chairman (440) 548-3622

Parkman Cub Scouts - Troop #76

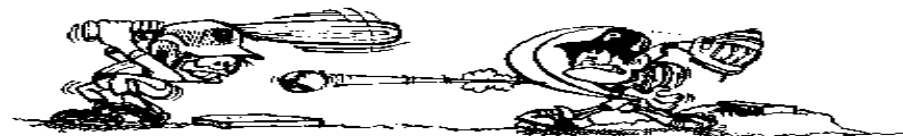

Join Scouting Today!!!

Have Fun, Make Friends, See New Things.

Cub Scouts invites first through fifth graders (7 to 10 years old)

We meet on the third Monday of each month (7pm-8pm)
at the Parkman Congregational Church
18265 Madison Rd, Parkman, OH 44080

for more info call Monique (Cub Master)
at 216-337-2104 or parkmanpack76@gmail.com

Parkman Youth Baseball and Softball League

From: Charlie Soltis

Sign-ups for the 2014 season are at the Parkman Community House on:
Friday - February 28 from 6-8pm, *** Saturday - March 1 from 11am-2pm,
Friday - March 7 from 6-8pm *** Saturday - March 8 from 11am-2pm.

Hope to see you there. Any questions call me at 440-636-3594 or
Michelle at 440-636-3475. Thank you. Charlie Soltis

Remember that the Parkman Trustees need a copy of the
Concussion Training Certifications
from all of the coaches prior to use the Parkman Baseball Fields.

Parkman 55 Plus Club

Please join us and share a delicious potluck lunch and fellowship. We meet at the Parkman Community House on the 1st Thursday of every month at 11:30a.m.

Parkman Amish

<http://www.experience-ohio-amish-country.com>

This website was found with many valuable resources about our Amish neighbors in NE Ohio. Get a chance - check it out. There are more than 12,000 Amish who have settled in eastern Geauga County, many call the Village's surrounding townships and countryside home. There are approximately 100 Amish church districts in the area comprised of around 30 to 35 families each. When combined with the Amish from Mesopotamia in neighboring Trumbull County, they are the second largest Amish population in Ohio and the fourth largest in the nation!

Parkman Historical Society

From: Jeanne Ebersbach, President

The Parkman Historical Society will now meet in
March, May, July, September and December on the 3rd Thursday of the month.

All are welcome to join us at the Parkman Community House on

March 20th, 2014 - May 15th, 2014
July 17th, 2014 - September 18th, 2014

to learn and preserve our local history heritage.

Anyone with a story or information to add to our efforts—please feel welcome to share any input that will help develop our ambition to collect the facts of our past.

For any meeting info, please contact Jeanne at jcreekcountry@aol.com

Parkman Volunteer EMS

From: Lt. Jim Clawson

Now that 2013 is behind us, we look forward to year 2014. We had some members further their education on the E.M.S. side of things of the fire department. FF Eric Mathews completed his EMT-B (Basic) class and is going through the process of obtaining his certification. FF/EMT-B Kelly Dale is working on becoming an EMT-A (Advanced). FF/EMT-P (Paramedic) Stacey Raymond has become a CPR instructor. Parkman has two certified CPR instructors now, Kelly Dale and Stacey Raymond, who both will be putting together an aggressive CPR instruction program. Anyone can learn CPR – and everyone should! Sadly, 70 percent of Americans may feel helpless to act during a cardiac emergency because they either do not know how to administer CPR or their training has significantly lapsed. This alarming statistic could hit close to home, because home is exactly where 88 percent of cardiac arrests occur. Put very simply: The life you save with CPR is mostly likely to be someone you love. More information to come in the future on classes and availability.

We recently put an I-pad on squad 4251, which will enable our responders to enter information into our electronic database while on scene. For the past several years, the fire department gets an E.M.S. grant from the State of Ohio. We just recently purchased several new pieces of equipment and supplies for the squad with funds from this grant. This grant helps keep us from using Twp. tax based funds for required purchases and trainings.

One of our biggest goals for 2014, is to implement the “Vial of Life” program in Parkman. You may be wondering what this is. Imagine that you have a medical condition or multiple conditions. You have fallen terribly ill and call 911. When we arrive, we will ask several series of questions to determine our treatment for you. Just for example, past medical history, current medications, allergies, name, date of birth, who is your Doctor, etc. The Vial of Life is simply a form that you would already have filled out with all this very important information that we are seeking. This form would then go in a plastic bag and get hung on your refrigerator. There are also two decals, one that goes on your entry door which alerts us that you are participating in the program, and one that goes on the bag. The Vial of Life is a nationally recognized program that several E.M.S. agencies and fire departments are adopting. More information can be obtained by going to www.vialoflife.com.

We recently changed our policy in regards to transporting to other hospitals. We used to only transport to UHHS Geauga. We are now in the final stages of completing all the steps allowing us to be able to transport to Trumbull Memorial & St. Joseph Medical Center in Warren, and Robinson Memorial in Ravenna. This will allow more options for the twp. residents who need to be transported to the emergency dept. We will still use Geauga as our primary first choice for emergency transports, as this is the closest facility to us. Ultimately, the crew will decide if the patient is stable enough for transport to one of the other facilities.

Parkman Green Address Signs

with the reflective 4 inch lettering (visually standardizing each Parkman street address) allowing our **Parkman Fire and Rescue Volunteers** to easily find your address during the fast pace response of emergencies.

Call Dale Komandt at 548-5636 if you need your address sign updated!

Special Thanks to all who have already supported this community effort!

We look forward to meeting you!

Parkman Connections - 2014 Plant Swap

5th Annual Plant Swap is on

Saturday, June 7, 2014 (1pm)

at the Parkman Community House

This is a **free** community event - welcome to all to participate!

Please bring:

1. Your plants to trade. Most of the plants at the plant swaps in the past have been perennial plants, but any plant is welcome: perennials, annuals, vegetable plants, house plants, shrubs, or tree seedlings.
2. Newspapers and/or a tablecloth to cover the table in front of you and for wherever you set down your plants. Our goal is to make cleaning-up easy.
3. The beverage of your choice, especially if it's a hot day.

How many plants should I bring?

There is no minimum number of plants that you need to have in order to participate. If you have several plants to share, that's great! Some people bring lots of one kind of plant to share with everyone. If you have just one or two special plants to swap, that's great too! People who start plants from seeds often bring several of their seedlings to share. People who divide their plants often have just one or two of a particular plant to share. We will be very happy to see you and whatever plants you can bring with you.

How should I prepare my plants?

Each plant should be potted in a container of some sort. The word "container" doesn't necessarily mean a regular plant pot. Feel free to use whatever you have on hand. Paper cups or plastic containers from food products (such as sour cream or cottage cheese containers) are fine. The plants will be replanted in their new homes, and the containers will be discarded anyway.

If you are dividing some plants that have a large ball of roots, and you don't have a container to fit them, you can use plastic bags. Dig up the plants along with plenty of soil around the ball of roots, and put each plant into a separate plastic bag. Tie the top of the bag around the root ball to keep the soil contained.

Each plant should be labeled in some way. You can write the information on the side of each plant container with a marking pen, or you can use a plant tag. Examples of plant tags would include wood craft sticks, plastic strips cut from milk jugs, or whatever you have on hand that could serve as a plant tag. The name of the plant is the most important thing to include, if you know the name of the plant. With the name on the label, people who take your plant home can look up other information about the plant. If there is other information that you think is important, add that information too. Examples: Sun or shade? Moist soil or dry?

If you have any questions about the plant swap, please send an email to Jane at ParkmanConnections@gmail.com

Parkman Volunteer Fire

From: Chief Paul Komandt

As I write this article in January 2014, I have to look back over 2013 and forward into the New Year. Last year your fire department sponsored a firefighter class called Firefighter 1. This class is over 140 hours of instruction. The majority of our volunteer firefighter had only taken the basic firefighter class which consists of 36 hours of instruction. I am very proud that Jeremy Miller, Russell Spenser, Jim Baril, and Timmy Czacherski, along with myself, completed this class and are now certified as Firefighter 1.

In 2013 we responded to just under 1 incident per day. Actually the average was .9 incidents per day. We transported patients over 100 times. We recorded no fire deaths. We passed a replacement fire levy and were able to respond to our incidents in a safe and professional manner without causing any injuries to our members or major damage to any of your fire apparatus.

We look ahead in 2014 to sponsoring another Firefighter 1 class to better the certifications of more of our members and get some of cadets certified as firefighters. I am also starting a new project for the residents. Firefighters know that the major cause of fire deaths in the U.S. is smoke. I am this year going to look for a source of funding that would allow us to put a smoke detector in every inhabited residence in the township. With any luck we can find this funding somewhere.

My biggest concern is our ability to respond to your emergencies. We have many highly trained and dedicated people on your fire department. We have others that may not be as highly certified but just as dedicated and others that might not be quite as dedicated. The certifications and dedication is not the problem. The real problem is that Parkman is a bedroom community meaning residents live here but work elsewhere. People are just not at home during weekdays. They are away working and this is also true of my firefighters. Almost all have full time jobs and many extra part time work schedules. Because of this our ability to respond is sometimes compromised. Rest assured that if you dial 911 for a fire or medical emergency, someone will eventually show up. It may not be a Parkman Firefighter or EMT and there might be a delay. Because of this possible lack of appropriate response, we will be looking at what we can do to solve this.

ate response, we will be looking at what we can do to solve this.

Parkman's Veterans

Since 2001, the Parkman Trustees have been honoring Parkman Veterans during our annual Memorial Day celebration. Since these honorees have had special edition Paragraphs that were written up and handed out to those who attended the celebration, not everyone is aware of these people who are selected as honorees. So this is a compiled list of those who have been selected and saluted by our community. Thanks to all Parkman Veterans who have served our country. If you know of a Parkman Veteran who would be interested in a short salute from the Parkman Paragraphs regular editions, please send us a short paragraph to ParkmanOhio@gmail.com with a photo and service highlights.

2001 John R. Ferry - 2002 Robert F. Barnett - 2003 Glenn A. Thompson
2004 Richard Stanchak - 2005 Richard W. Giles - 2006 Richard O. Pollari
2007 Stanley Smith - 2008 Dennis Testa
