This is a Special Meeting of the Parkman Township Trustees for the purpose of discussing township business regarding the purchase of a previously discussed Jeep for fighting grass fires. This meeting will not include a Public Comment opportunity.

### Discussion of Jeep purchase:

Mike Komandt gave a report on the used Jeep that he wished to purchase from Valley Motor City dealership. A description of the features, options and history including a clean Car-Fax report. It is a 2014 Jeep Wrangler. He completed an extensive test drive which showed no issues. He did an inspection of the undercarriage and under the hood. He saw no problems. The vehicle has a removable hardtop which will allow using the vehicle in the winter. It also has the right amount of room in the rear for the water tank we have. The mileage averages 9600 miles per year. Modifications needed include mounting of the lights on top, removing carpeting, and rubberizing the flooring. All work will be done by the fire department. The negotiated price is \$17,000.00 plus closing fees of \$422. The dealer agreed to hold the vehicle until Monday in order to allow the trustees to have a Special Meeting to consider and approve the purchase and time for the Fiscal Officer to prepare the payment.
